my LITTLE PONY
EQUESTRIA GIRLS
The Great Beach Surf-Off
By Perdita Finn

1
Hey, Applejack. I am so bored. What should we do?
We should go surfing. That might cheer us up!
2
Great idea! Let's get surfing!
I hope we get to show everyone our surfing moves!
3
Did somebody say they need to show off their surfing moves?
Oh my gosh! Diamond Tiara and Silver Spoon?!
What are y'all doing here?
4
Well, as a researcher, I hear somebody can surf pretty good, and girls like us know we don't surf.
Sounds to me like you need teaching.
5
Well, then, how about I challenge you girls to a Surf-Off?
It's on! If you win, we give you some caramel apples! And if we win, you give us some caramel apples!
Bet!
6
Get ready to lose, Diamond and Silver!
Oh, we'll see about that, Rainbow!

1
Alright, girls. I'm the referee, and remember, this is a Surf-Off. And we're gonna see who surfs the best. And whoever wins gets a ticket to...
2
Micro Chips' Caramel Apple Stand.
MICRO CHIPS' CARAMEL APPLE STAND
3
Remember, what I told you, girls. You might get bad luck if you don't try.
We will, Applejack, we will.
4
Surfers, ready, set...
5
6
Remember, we need loyalty and honesty powers!
Aye aye, Captain Rainbow Dash.
7
8
OK, girl, are you ready?
Always!

1
2
Nice moves, girls. But wait until you see this!
3
4
5
Alright! Applejack and Rainbow Dash has won, Applejack and Rainbow Dash has won!
6
Well, that serves you right.
Thanks a lot, AJ and Rainbow. Now we're going to give you some dollars because of you.

1
Woo-hoo! Way to go, girls!
You slay this surf-off!
2
Thanks, y'all. We learned our skills.
And that's what being a surfer is all about.
3
Step right up to my caramel apple stand! Come and get your caramel apples!
MICRO CHIPS' CARAMEL APPLE STAND
4
You hear that? Let's give those caramel apples a taste!
Yes! I love caramel apples!
Me too! I want the purple one!
5
And so, Applejack and Rainbow Dash deserved a caramel apple because they won the surf-off. And they learn good sportsmanship.
6
The end!
Until we meet again! See ya next time!

Applejack and Rainbow Dash must defeat Diamond Tiara and Silver Spoon. However, it's up to the four girls to see which surfing poses are doing. Who will win?
